“ So sorry to hear about Pattty's death. I remember as a young hanging out with her, herbpiggy back rides and playing in the farm. She was someone I looked p to as a young kid. May she rest at God's feet.

“ Dear Family. We are saddened by Patty's passing. My personal regret is living so far away that we rarely get back to Pennsylvania. We will, however, pray that the comfort only Jesus can give will bless our family. Wood and Linda Kroll
